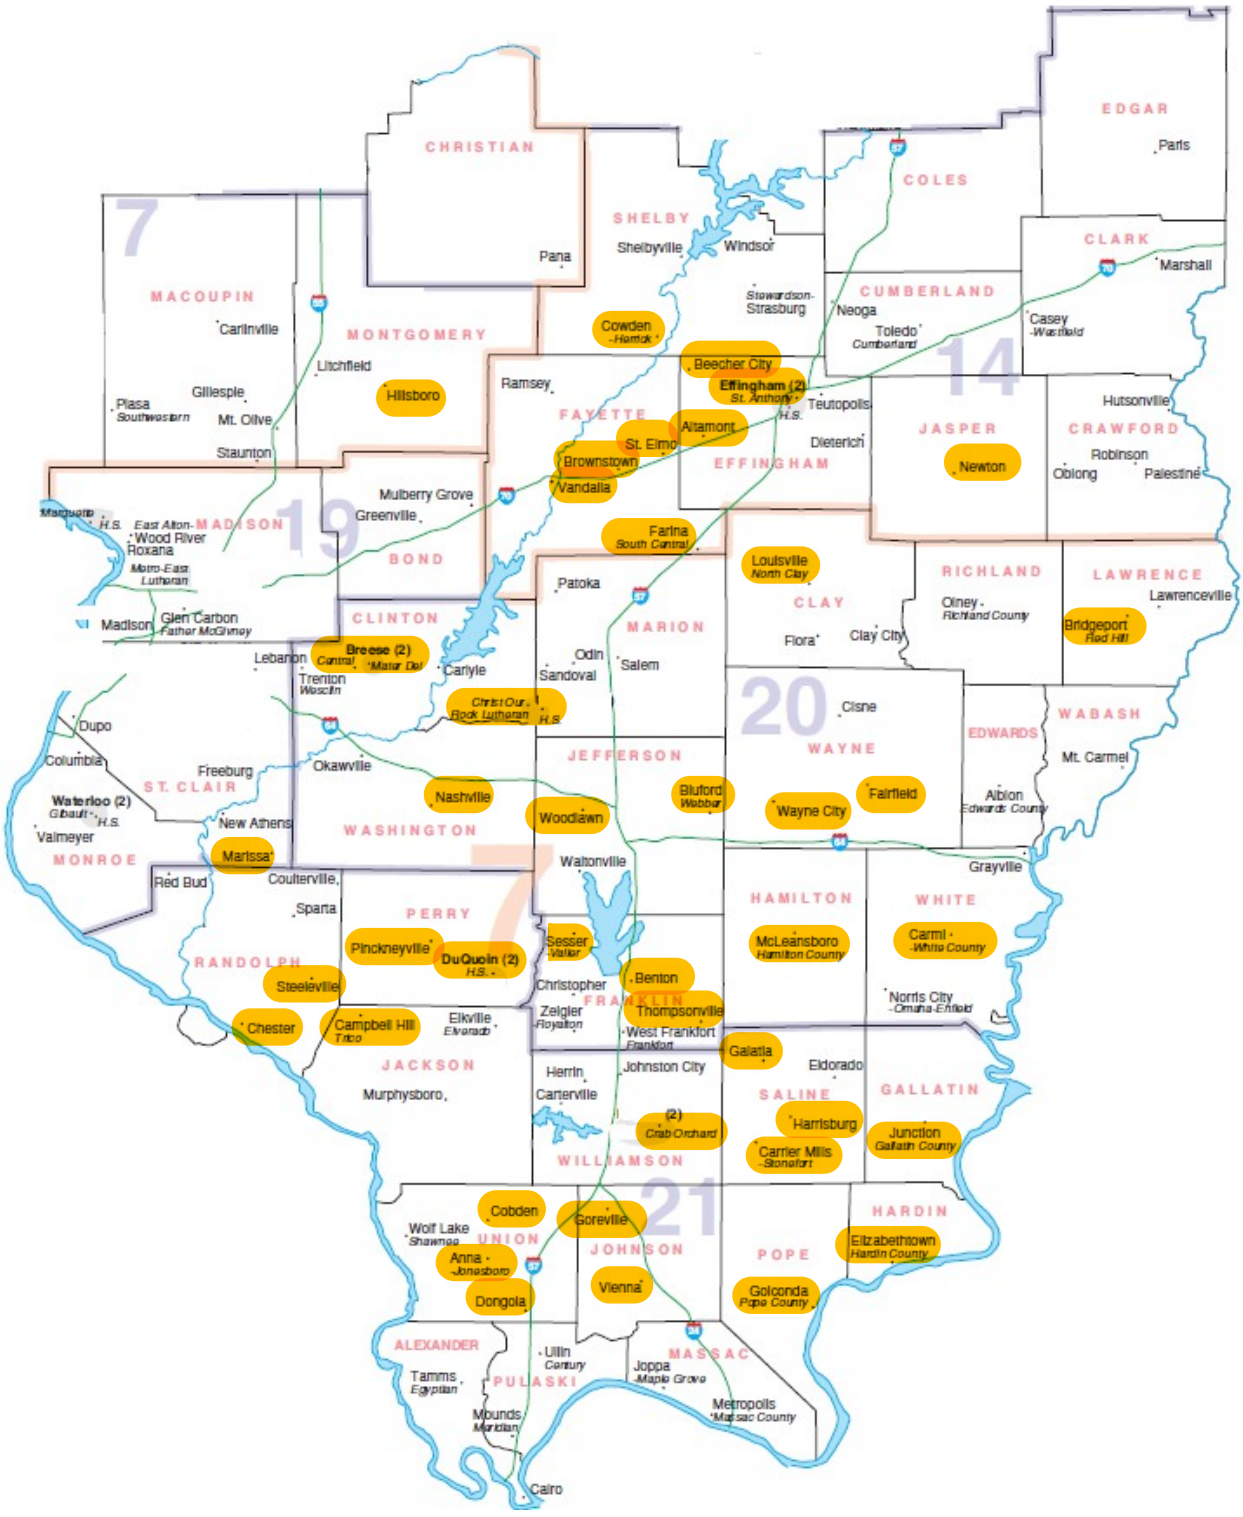
A BASELINE VIEW


This is the current map of the teams covered by ABV. The schools highlighted in **YELLOW** have local businesses who are currently advertising with ABV. The schools who are not highlighted have **ZERO** advertising with ABV.
For ABV to continue to cover, preview and keep track of the teams' progress, ABV needs at least (1) advertisement representing each school. If your local school isn't highlighted, you can help support them on ABV with a once a year ad.
